

**ACKNOWLEDGEMENT OF ASSUMPTION OF RISK  
WATER VEHICLES**

I understand that the Water Vehicle(s) that I am renting from ARAMARK, is (are) safe if operated in a safe manner. The term "Water Vehicle" shall include Kneeboards, Wakeboards, Ski Tubes, Skis, Water Trampolines, and any other device designed to be played with on the water or towed by a boat.

I further acknowledge that it is unsafe to tow a Ski Tube, or other similar water toys around solid objects, such as the shore line, rocks, other boats, or water vehicles or against or across the wake of any boat.

I will always ride any Water Vehicle using my personal flotation device, commonly known as a life jacket.

***I UNDERSTAND AND ACKNOWLEDGE THAT MY FAILURE TO OPERATE ANY WATER VEHICLE IN ACCORDANCE WITH THE RULES DESCRIBED IN THIS ACKNOWLEDGEMENT AND ASSUMPTION OF THE RISK MAY RESULT IN PERSONAL INJURY OR DEATH, TO MYSELF, MEMBERS OF MY PARTY OR THIRD PARTIES, AND DAMAGE TO PROPERTY OWNED BY MYSELF, MEMBERS OF MY PARTY OR THIRD PARTIES AND I AGREE TO ASSUME THE RISK WITH RESPECT TO ANY SUCH PERSONAL INJURY, DEATH OR DAMAGE TO PROPERTY.***

If any members of the party are under the age of 18, the person renting this boat represents and warrants that he/she is the parent or guardian of such underage person and that he/she is executing this ACKNOWLEDGEMENT AND ASSUMPTION OF RISK on their behalf. If the person renting the Water Vehicle is not the parent or guardian of such underage person, the person renting the Water Vehicle represents and warrants, that such underage person will not use the Water Vehicle.
